

Time Management - Creating Smart Habits

With the frantic pace of the current work environment it's hard not to get overwhelmed by the volume of tasks at hand. You know you need to prioritise and minimise time wasters. But do you ever look back at your incredibly busy day and wondered what you have actually achieved?

After this fast paced and highly efficient program, you'll feel re-energised to manage your priorities and those of your stakeholders. You'll look forward to dealing with distractions, managing people's expectations and being highly productive.

Designed for you

This time management training course builds smart habits for anyone who feels the day is too short and wants to gain more control over an overload of tasks, requests and demands.

We offer this program in two 3-hour sessions in successive weeks. You can attend this program from anywhere: your workstation or from home.
